FIG. 5A

FIG. 5B is a schematic diagram of a user interface for a simpleTV application. The interface is displayed on a screen 514. The interface includes a channels list 530 on the left side, which lists various channels such as news, sports, weather, entertainment, music, discovery, and nickelodeon. The sports channel is currently selected. Below the channels list is a weather widget 516 displaying the "Sports WEATHER" logo. The main display area 540 shows a video feed of a person performing a stunt. At the bottom of the interface is a playback control bar 520, which includes a progress bar and various control buttons.
